

# Free Book Giveaway

At Freckleton Church of England Primary School we always invest in high quality reading material and are continuously updating the books we use for children to read in school and at home. We have recently undertaken a thorough overhaul of our infant reading material and have a number of old school books which are no longer needed.

To coincide with 'World Book Day' on Thursday 4<sup>th</sup> March 2021, we will be having a free book giveaway outside school. Please come along and help yourselves to the reading books which are no longer being used. These are most suitable for children aged 3 to 7 years old.
